SPECIAL MEETING
SEPTEMBER 30, 1982

A special meeting of the City Council was called to order by Mayor Daggett at 7:30 P.M. in the Council Chambers.

Council members present: Bob Zern, Dorothy King, Bob Lutes, Bill Gearhart and Vane Graham

Others present: Gary Moler

Mayor Daggett presented SERCO Laboratories proposal to the council. The six month contract was for \$1200. monthly to manage and operate the wastewater treatment plant and the pumping stations. The council agreed to accept the proposal but Mayor Daggett will negotiate for a lower monthly rate.

The council will ask Craig Vinton to work half days with Gary Moler next week, Gary's first week on the job, to acquaint him with the routine.

Moler was asked to purchase stain for well houses #1 & #4 and to deliver the street sweeper to Conrad Sales for repair.

Lutes stated he felt a steel post should be set in the ground in the park area at the west end of Grundy, where the water line breaks to the south so the area won't be used for dumping.

Stop signs on Lillian St. east and west of Washington were discussed and also on Grant St. The council will check to see how many signs are needed.

King reported that the parking area west of the Methodist Church needs to be graveled again and the board of trustees wondered if that was the city's or the church's responsibility. Mayor Daggett stated it was normally the church's responsibility but as the city has some used gravel right now, they could use that if they want to haul it and put it on themselves.

Lutes will deal with Friday's on the purchase of the police car the city has been leasing and will also purchase the warranty if the price is reasonable.

It was also agreed to purchase a new tractor. The clerk was instructed to place an ad in the Conrad Record for bids on a MF 40B tractor and 34A loader with cab to be considered at the Oct. 11th meeting.

King was asked to get more information on Operation Threshold and the Community Work Experience Program for the next meeting.

Gearhart stated he and several firemen had volunteered to take the white truck apart and repair the seal that is out of the pump.

Gearhart also asked if there was any objection to using the meeting room in the fire station for the Cub Cadets. There were no objections.

Motion to adjourn by Zern, second by Gearhart. Carried. 10:00 P.M.
