

King reviewed a report with the council for Park Board chairman Jim Molloy pointing out repairs and improvements completed and some yet to be done.

Mayor Daggett reported on a detour through Conrad this summer due to the county construction of a new bridge south of the railroad crossing at Beaman and the building of earth shoulders on T-29 from the Marshall county line north to D-67. The detour will commence at junction of T-29 & D-67; west on D-67 four miles to Highway 14; south on 14 3 miles to 96 and east 4 miles to the junction of T29 & 96.

Dorothy King was appointed by Mayor Daggett as the city councils representative on the board of the Conrad Community Center.

Ed Jebousek, zoning administrator, reported on building permits for \$71,800. in construction in Conrad at the present time.

A petition with 14 signatures was presented to Mayor Daggett in regard to the proposed street project on Grant St. The signers main concern was that there would be ~~no~~ water or drainage problem when the project was completed.

Gearhart stated he thought there should be a fire hydrant placed at the alley intersection on Maple, west of Washington while any street work was being done. Also that other Hydrants in town that leak should be replaced.

Fire Chief, John McNair asked if he was allowed to spend funds without council approval. The council felt that small purchases could be made but he should consult with the council on large expenditures.

Motion to adjourn by Graham, second by Gearhart. Carried. 10:05 P.M.

PUBLIC HEARING
JUNE 7, 1982

A public hearing was held June 7, 1982 at 7:00 P.M. at the Conrad Community Center for the purpose of hearing objections and comments in regard to the proposed 1982 street project.

Present: Lutes, Zern, King, Gearhart and Graham

Others present: Don Kliebenstein, Dwayne Garber, Bill Grabe and approximately 35 interested citizens.

The hearing was called to order by Mayor Daggett and at that time he asked for any comments and objections.

Some of the major complaints were that the economy is bad right now, the project isn't necessary, other priorities, such as Conrad's water system, police dept. and fire dept., feelings of the people being ignored, that the water problem on Grant St. won't be solved and that the alley is only an alley and doesn't need to be paved. Letters of objection were read from four citizens who were not present.

Jim Lynch stated that he thought it would be ideal to have a long range plan so that everyone would know what was planned for the future and it would be no surprise to anyone.

Also mentioned was a petition signed by the residents of Grant St. and one circulated last fall on Washington St. and the Senior Citizens housing. Motion by Lutes to adjourn the p

Motion by Lutes to adjourn the public hearing until 7:30 P.M. June 14, 1982 during the regular council meeting at the Community Center. Second by King. Carried.

Mayor Daggett then asked those present who wished to vote by ballot, to vote yes or no and state their reason.
