Motion by Beeghly that these bills be allowed and warrants drawn for the same. Second by Graham. Carried.

Don Kliebenstein enlightened the council about bond procedures concerning the proposed new fire station, two of which are necessary. It was suggested that the city hold a general election for \$60,000 General Corporate Purpose bonds for the construction of the station; and seperately, Essential Corporate Purpose Bonds for the payment for the new fire truck. The bonds for the fire truck are not to be included in the election.

Leon Mueterthies then showed preliminary plans of the proposed station to the council and explained the details. He stated that at this time it was estimated the total construction cost of the project would be approximately \$88,600 and explained how he arrived at this figure. A discussion with some fire department members and the council was then directed towards the details of the station. Various changes and additions were debated though in the end it was decided that the plans were generally acceptable as presented but at this time could not be legally acted upon.

RESOLUTION

COUNCILMAN MCLEAN INTRODUCED THE RESOLUTION ASKING FOR THE INSTIGATION OF A GENERAL ELECTION ON \$60,000 GENERAL CORPORATE PURPOSE BOND FOR THE CONSTRUCTION OF A NEW FIRE STATION, TO BE HELD ON JULY 17, 1979, DURING THE HOURS OF 8:00 a.m. THROUGH 8:00 p.m., AT THE CITY COUNCIL CHAMBERS, AND MOVED THAT IT BE ADOPTED. COUNCILMAN BEEGHLY SECONDED THE MOTION TO ADOPT.

ROLL CALL VOTE: ALL AYES; NO NAYES; NO ABSENTEES.  
RESOLUTION ADOPTED.

Les Wolfe discussed with the council some changes that have occurred with the city's sanitation facility procedures. Notice had been received that Conrad had been placed lower on the grant money priority list, and at this time it appeared that it would not be until 1983 that any money might be received for the construction of a new lagoon system. Wolfe suggested that the city go ahead with filling out the grant papers so that some rehabilitation work on present sewer lines could possibly get some financing. He stated that without the necessary papers approved no work could be financed, and this work needed to be done whether a new lagoon is built or not. If repairs were to be done now the cost would be less, considering the rate of past inflation.

Motion by McLean that Mayor Schleisman, as duly authorized representative for the City of Conrad, be authorized to execute all necessary papers to complete the Facility Plan Grant Project. Second by Zern. Carried.

Graham stated that there had been excessive speeding and noise in the city and felt that this should be halted. The council advised Kruse to enforce the law on this item.

McLean asked the council about repairing the alley between the 100 block of Main and Washington Streets. By council approval it was decided that when the maintainer was back in operation that this alley be scarified, filled in, and seal coated at city expense. It was reported that the maintainer was supposed to have been ready for work earlier this day, but it was unknown if it had been.

A Disastrous Services Meeting (Civil Defense) is planned for June 12, 1979, at 7:30 p.m. at the Grundy County Court House for the purpose of filling out applications for a new emergency siren. Kruse was appointed to attend this meeting.

A problem of some trees at the corner of Lillian Ave. and Main St. are to be investigated by the Street Commissioner and taken care of as the situation dictates. Hazardous driving conditions at this corner was the indicated problem.

Motion by Zern, second by McLean, that the following establishments be authorized cigarette permits for the period of July 1, 1979 through June 30, 1980: Corral, Casey General Store, Charlies Market, Carnes Skelly Service, Thormans Store, Conrad Pharmacy, Conrad Grove Rec. Club, Schleisman DX, and Alibi Lounge. Motion Carried.

Motion by McLean that the Alibi Lounge be approved for a Beer-Liquor License. <sup>renewal</sup> Second by Beeghly. Carried.

The clerk was authorized to advertize the old Wayne Street Sweeper in the Iowa League of Municipalities magazine for parts. A bid of \$100 on the machine was totally rejected by the council.
