

Special Meeting
May 22, 1995

Council members present: Case, Sanderson, King
" " absent: Krause, Lutes

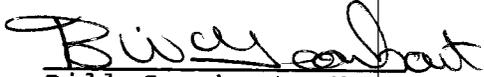

Doug Kruse, Conrad Independent Insurance, was present and discussed insurance for Matt Tapken with the council.

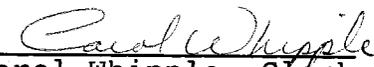

He explained changes in health insurance coverage since May 1, 1995. He stated as an employer the city cannot pay any portion of Tapken's insurance premium. A payroll deduction can be administered, however, but the wage would need to be adjusted high enough to pay the premium and then the premium would be paid with pre-tax dollars. The council agreed to do this.

The clerk will contact Don Kliebenstein in regard to a Premium Only Plan, Section 125 agreement that needs to be signed by the city and Tapken.

Job interviews were held with Audrey Kuhl, Mary Morris and Cheryl Meester. Morris will be contacted by Sanderson and offered the job.

Motion to adjourn by Sanderson, second by Case. Carried unanimously.

Bill Gearhart, Mayor
