

City Council Meeting Minutes  
Special Meeting  
June 27, 2006

Mayor Sharp and Council Members Lowell Schleisman, Gary Stattler, and Bill Gearhart met at the building site to discuss utilizing geo-thermal energy for the new library. Also participating was Dan Channer from Struxture Architects, Shawn Murphy from Lennox Industries and Tom Scharnweber from Scharnweber Water Conditioning who joined the meeting at 11:55 AM.

Following discussion, it was determined that the architects would present rudimentary costs associated with utilizing geo-thermal energy at the July 13, 2006, city council meeting.

The meeting commenced at 11:30 AM and concluded at 12:15 PM.
